## Speak Now (Live) by Taylor Swift

## Fill in the gaps

I am not the kind of girl	Don't say yes, run away now
Who should be rudely barding in	I'll meet you when you're out
On a white veil occasion	Of the church at the (6) door
But you are not the kind of boy	Don't wait, or say a single vow
Who should be marrying the wrong girl	Your time is running out
I sneak in and see your friends	And they said speak now
And her snotty little family all dressed in pastel	
And she is yelling at a bridesmaid	(Ooh, ooh)
Somewhere back inside a room	I hear the preacher say
Wearing a gown shaped like a pastry	Speak now or forever hold (7) peace
This is surely not what you (1) it	There's the silence, there's my last chance
(2) be	I stand up with shaky hands, all eyes on me
I lose myself in a daydream	Horrified looks from everyone in the room
Where I stand and say	But I'm only looking at you
Don't say yes, run away now	I'm not the kind of girl
I'll meet you when you're out	Who should be rudely barging in
Of the church at the back door	On a white veil occasion
Don't wait, or say a single vow	But you are not the kind of boy
You need to hear me out	Who should be marrying the wrong girl
And they said: speak now	So don't say yes, run away now
Fond gestures are exchanged	I'll meet you when you're out
And the (3) starts to play	Of the church at the back door
A song that sounds like a death march	Don't wait, or say a single vow
And I am hiding in the curtains	You need to hear me out
It seems I was uninvited by your lovely bride to be	And they said: speak now
She floats down the aisle like a pageant queen	And you'll say let's run away now
But I know you wish it was me	I'll meet you when I'm out
You wish it was me	Of my tux at the back door
Don't you?	Baby, I didn't say my vows
Don't say yes, run away now	So glad you were around
I'll meet you when you're out	When (8) (9) speak now
Of the church at the back door	
Don't wait, or say a single vow	
You need to hear me out	
And (4) (5) speak now
