

## Fill in the gaps

I am not the kind of girl		Don't say yes, run away now
Who should be rudely (1) in		I'll meet you when you're out
On a white veil occasion		Of the church at the back door
But you are not the kind of boy		Don't wait, or say a single vow
Who should be marrying the wrong girl		Your time is running out
I sneak in and see your friends		And they said speak now
And her snotty little family all dressed in pastel		
And she is yelling at a bridesmaid		(Ooh, ooh)
Somewhere back inside a room		I hear the preacher say
Wearing a gown shaped like a pastry		Speak now or forever hold your peace
This is surely not what you thought it (2)	be	There's the silence, there's my last chance
I lose (3) in a daydream		I stand up (8) (9) hands, all eyes on
Where I (4) and say		me
Don't say yes, run away now		Horrified looks from everyone in the room
I'll meet you when you're out		But I'm only looking at you
Of the church at the back door		I'm not the kind of girl
Don't wait, or say a single vow		Who should be rudely barging in
You need to hear me out		On a white veil occasion
And they said: speak now		But you are not the kind of boy
Fond gestures are exchanged		Who (10) be marrying the wrong girl
And the organ starts to play		So don't say yes, run away now
A song that sounds (5) a death march		I'll meet you when you're out
And I am hiding in the curtains		Of the church at the back door
It seems I was uninvited by your lovely bride to be		Don't wait, or say a single vow
She floats down the aisle like a pageant queen		You need to hear me out
But I know you wish it was me		And they said: speak now
You wish it was me		And you'll say let's run away now
Don't you?		I'll meet you when I'm out
Don't say yes, run away now		Of my tux at the back door
I'll meet you (6) you're out		Baby, I didn't say my vows
Of the church at the (7) door		So glad you were around
Don't wait, or say a single vow		When they said speak now
You need to hear me out		
And they said: speak now		

- 1. barding
- 2. would
- 3. myself
- 4. stand
- 5. like
- 6. when
- 7. back
- 8. with
- 9. shaky
- 10. should
