

## Fill in the gaps

You and I walk a (1)	line	Something's gone terribly wrong	
I have known it all this time		You're all I wanted	
But, I never thought I'd (2)	to see it break	Come on, come on	
It's getting dark and its all too quiet		Don't leave me like this	
And I can't trust (3)	now	I thought I had you figured out	
And it's coming over you like it's all a big mistake		Can't (16) (17)	_ you're
(Oh oh) holding my breath		gone	
Won't lose you again		Can't turn back now	
Something's made your eyes go cold		I'm haunted	
Come on, come on		I know, I know	
Don't leave me (4) this		I just know	
I thought I had you figured out		You're not gone	
Something's gone terribly wrong		You can't be gone	
You're all I wanted		No	
Come on, come on		Come on, come on	
Don't leave me like this		Don't leave me (18) this	
I thought I had you figured out		I thought I had you figured out	
Can't breathe whenever you're gone		Something's (19) terribly wrong	
Can't (5) (6) now		Won't (20) what you started	
I'm haunted		Come on, (21) on	
Stood there and (7)	you (8) away	Don't leave me like this	
From everything we had		I thought I had you (22) out	
But, I still mean (9) word I said to you		Can't breathe whenever you're gone	
He will try to (10) away my pain		Can't go back	
And he (11) (12)	make me smile	I'm haunted	
But, the whole (13) I'm wishing he was you instead			
(Oh oh) holding my breath		You and I walk a fragile line	
Won't see you again		I (23) it all (25)	time
Something keeps me (14) onto nothing		But I never thought I'd see it break	
Come on, (15) on		Never thought I'd see it	
Don't leave me like this			
I thought I had you figured out
