

## Fill in the gaps

| So you want                                   | Solitary sister  |
|---|--|
| To be free                                    | Is there (6) a (7) of you that wants to                |
| To live your life                             | give   |
| The way you want to be                        | If we try  |
| Vill you give                                 | And live (8) life                                      |
| f we cry                                      | The way we (9) (be)                                    |
| Vill we live                                  | Solitary brother                                       |
| Or will we                                    | Is there still a part of you that wants to live        |
| Die   | Solitary sister  |
| Fainted hearts (hearts)                       | Is there still a part of you that wants to give        |
| Heal with time                                | Solitary brother                                       |
| Shoot that love                               | Is there still a part of you that wants to live        |
| So we can (1) the bleeding                    | Solitary sister  |
| Solitary brother                              | Is there still a part of you that wants to give        |
| s there still a part of you (2) to            | Racism in among (10) kings can only lead to            |
| ive   | no good  |
| Solitary sister                               | Besides  |
| s there still a (4) of you that wants to give | All our sons and daughters already know how that feels |
| Solitary brother                              | Love, love, love                                       |
| s there still a (5) of you that wants to live |  |
