## Don't Lie by Black Eyed Peas

## Fill in the gaps

Yeah,Uh Huh,LaRaRaRaLa	Too many lies committed too many games
Sorry Sorry Sorry	She feeling like a fool getting on the last train
Hey baby, my nose is getting big	Trying to maintain but the feeling won't change
I noticed it be (1) when I been telling	I'm sorry for the things that I've done and (7)
them fibs	became
Now you say your trust's getting weaker	Caught up in living my life in the fast lane
Probably cuz my lies just started getting deeper	Blinded by lights, cameras, you know the fame
And the reason for my confession is that I learned	I don't know the reason why I did these things
my lesson	And I lie and I lie and I lie and I lie
And I (2) think you oughta know the truth	And now ya emotions are drained
Because I lied and I cheated and I (3) a little more	When I lie and I lie and a little lie lie
But after I did it I don't know what I did it for	And now ya emotions are drained
I admit that I have been a little immature	[Chorus x2]
Fucking with your heart like I was the predator	Yo, I'm lying to my girl (8) though I love he
In my book of lies I was the editor and the author	And she all in my world
I forged my signature	I give her all my attention and diamonds & pearls
And now I apologize for what I did to you	She's the one who makes me feel on top of the world
Cuz what you did to me I did to you	Still I'm lyin' to my girl, I do it
[Chorus]	And I lie and I lie and I lie till there's no turning back
Nononono baby, nononono don't lie	I don't know why, and I lie and I lie till I don't know
Nononono, yeah you know know know know you	who I am
gotta try	And then I tell myself
What you gonna do (4) it all comes out	Nononono baby, nononono don't lie
When I see you & what you're all about	Nononono, yeah you know know know you
Nononono baby, nononono don't lie	gotta try
Because you know you know you know	What you (9) do when it all comes out
you know you gotta try	When I see you & what you're all about
She said I'm leaving	Nononono baby, nononono don't lie
She can't take the pain	Nononono baby, nononono
It's (5) to continue this love, it ain't the same	Stop, st-stop st-stop stop lying.
Can't forget the things (6) I've done inside her	
brain	

## 1. growing

- 2. really
- 3. lied
- 4. when
- 5. hard
- 6. that
