Darling you're with me, always around me	watch me fall apart, watch me fall apart
Only love, (1) love	Watch me fall apart
Darling I (2) you under my body	Watch me fall apart
Only love, only love	Only love, love
Give me (3) or (4) me heart	Only love, love, love
Come on love, come on love	Only love, love, love
Watch me (5) apart, watch me fall apart	Girl show me heart
And I'll be yours to keep	Come on love, love
A wind in the shadow, a whale song in the deep	Come on love, love
Darling you're (6) me, always around me	Come on love, love
Only love, only love	Watch me fall apart
Darling I feel you (7) my body	Come on love, love
Only love, only love	Come on love, love
Give me shelter or show me heart	Come on love, love
Come on love, come on love	Girl show me heart
Watch me (8) apart, watch me fall apart	Show me love, love
And I'll be yours to keep	Show me love, love
A wind in the shadow, a whale song in the deep	Show me love, love, love
A wind in the shadow, a whale song	Watch me fall apart
Darling you're with me, always around me	Watch me fall apart
Only love, only love	Darling I feel you, (9) my body
Darling I feel you under my body	Darling you're with me, (10) and always
Only love, only love	Give me shelter or show me heart
And give me shelter, or show me heart	And watch me fall apart, watch me fall apart
Come on love, come on love
