Together we cry	But life happened, house, kids, two cars
Together we cry	Husband hits the jar
Jenny was a (1) girl	Cheques that don't go very far now
Living in a rich world	Now she in it, can't change it
Named her baby Hope when she was just fourteen	She keeps her mind on her wages
She was hoping for a better world	The only rattling cages are her own
For this (2) girl	(Together we cry)
But the apple doesn't (3) too far from the tree	Together we cry
Well she gets that call, hope's too far gone	There's so much sad gonna (12) an ocean
Her baby's on the way	We're all in tears (13) a world that's broken
But nothing left inside	Together we cry, oh we cry, we cry, oh we cry
Together we cry (together we cry)	There comes a time when every bird has to fly
What (4) the (5) head	At (14) point every (15) has to die
Could have gone the whole way	It's hard to let (16) go
Lighting up the stage trying to get a deal	leave home
Now he's lighting up the wrong way	Where they go, who knows, getting drunk
Something for the pain	Getting stoned, all alone
Man you wanna see this kid he was so () unreal	Teach a man to fish, you'll feed him never lie
When he gets that (6) he's too far gone	You show (18) (19) the truth,
To get it together to sing one song	(20) they (21) lie
They won't (7) tonight	Instead of reading in a letter
The words of a lullaby	That they've gone to something better
Together we cry	Bet your sorry now, I won't be coming home tonight
(Yeah, yeah)	I'm (22) of (23) for
Together we cry	(24) heroes in the sky
Together we cry	To (25) us how to fly, together we cry, together

(Oh we cry, we cry)	Together we cry
Together we cry	Cry
