Together we cry		But (5)	_ happened, house, kids, two cars	
Together we cry		Husband hits the jar		
Jenny was a poor girl		Cheques that don't go very far now		
Living in a rich world		Now she in it, can't change it		
Named her baby Hope when she was just fourteen		She keeps her mind on her wages		
She was hoping for a (1) world		The only rattling cages are her own		
For this little girl		(Together we cry)		
But the apple doesn't fall too far from the tree		Together we cry		
Well she gets that call, hope's too far gone		There's so much sad gonna flood an ocean		
Her baby's on the way		We're all in tears from a world that's broken		
But nothing left inside		Together we cry, oh we cry, we cry, oh we cry		
Together we cry (together we cry)		There comes a time when (6) bird has to fly		
What about the junk head		At some point every rose has to die		
Could have (2) the whole way		It's hard to let your children go leave home		
Lighting up the stage trying to get a deal		Where they go, who knows, (7) drunk		
Now he's lighting up the (3) way		Getting stoned, all alone		
Something for the pain		Teach a man to f	fish, you'll feed him (8) lie	
Man you wanna see this kid he was so () unreal		You show your kids the truth, hope they never lie		
When he gets that call he's too far gone		Instead of reading in a letter		
To get it together to sing one song		That they've gone to something better		
They won't hear tonight		Bet your sorry now, I won't be coming home tonight		
The words of a lullaby		I'm sick of looking for those heroes in the sky		
Together we cry		To teach us how to fly, (9) we cry,		
(Yeah, yeah)		together we cry		
Together we cry		Together we cry		
Together we cry		Cry		
Oh we cry, we cry		Together we cry		
(Oh we cry, we cry)		There's so much sad gonna flood an ocean		
Together we cry		We're all in tears from a world that's broken		
Mary's ambitious, she wanna be a politician		Together we cry		
She been (4)	about it since she was a	Together we cry

She thought that she'd be the one		Together we cry
