

Bodies in the way of me

## Fill in the gaps

God gave me the sunshine	Bodies in the cemetery
Then showed me my lifeline	And that's the way it's gonna be
I was (1) it was all mine, (2) I got laid on	All we've ever wanted
a (3) line	Is to look good naked
What a day, (4) a day	Hope that someone can (22) it
And (5) (6) really died for me	God save me rejection
Then Jesus really (7) for me	From my reflection
UK and entropy	I (23) perfection
I feel (8) it's (****) me	Bodies in the (24) tree
Wanna feed off the energy	Bodies making chemistry
Love living like a deity	Bodies on my family
What a day, one day	Bodies in the way of me
And (9) (10) (11)	Bodies in the cemetery
died for me	Bodies in the Bodhi tree
I (12) Jesus really tried for me	Bodies making chemistry
Bodies in the (13) tree	Bodies on my family
Bodies (14) chemistry	Bodies in the way of me
Bodies on my family	Bodies in the cemetery
Bodies in the way of me	And that's the way it's (25) be
Bodies in the cemetery	All we've ever wanted
And that's the way it's gonna be	Is to (26) good naked
All we've ever wanted	Hope that someone can take it
Is to look good naked	So God save me rejection
Hope that someone can take it	From my reflection
God save me rejection	I (27) perfection
From my reflection	Jesus didn't die for you
I want perfection	What did you want
Praying for the Rapture	I (28) perfection
'Cause it's stranger (15) stranger	Jesus didn't die for you
And everything's contagious	What did you want
It's the (16) ages	Oh Lord
All day, (18) day	Jesus came and died for you
And if Jesus (19) died for me	Jesus (29) and died for you
Then Jesus (20) (21) for me	Jesus came and died for you
Bodies in the Bodhi tree	
Bodies making chemistry	
Bodies on my family
