It Must Have Been Love by Roxette

But it's over now It was all that I wanted

Fill in the gaps

(It must (1) been love)	Now I'm living without
(But it's over now)	It must have been love
Lay a (2) on my pillow	But it's over now
Leave the winter on the ground	It's where the water flows
I wake up lonely	It's (5) the wind blows
There's air of silence	It must (6) been love
In the bedroom	But it's over now
And all around	It must (7) been good
Touch me now	But I lost it somehow
I close my eyes	It must have been love
And dream away	But it's over now
It must have been love	From the moment we touched
But it's over now	Till the time had run out
It must have been good	Yeah, it (8) have been love
But I lost it somehow	But it's over now
It must have been love	It was all that I wanted
But it's over now	Now I'm living without
From the moment we touched	It must have been love
Till the time had run out	But it's over now
Make believing we're together	It's where the water flows
That I'm sheltered	It's (9) the wind blows
By your heart	(Oh)
But in and outside	(It must have been love)
I've turned to water	(But it's over now)
Like a teardrop	(But it's over now)
In (3) palm	(It must have been love)
And it's a hard	(But it's (10) now)
Winter's day	(But it's over now)
I dream away	
It must (4) been love
