

## Fill in the gaps

| I only miss you (1) I'm breathing           |                   |                           | I only miss you when I'm breathing          |         |                        |
|---|-------------------|---------------------------|---|---------|------------------------|
| I only (2) you when my heart is beating     |                   |                           | I only miss you when I'm breathing          |         |                        |
| You are the color that I'm bleeding         |                   |                           | Without your love, don't know how I survive |         |                        |
| I only miss you when I'm breathing          |                   |                           | It's you, it's you that's (18) me alive     |         |                        |
| This ain't no (3) feeling                   |                   |                           | I only miss you when I'm breathing          |         |                        |
| You are the only (4) that I believe in      |                   |                           | Breathing                                   |         |                        |
| I know you're coming (5) to me and          |                   |                           | (Ayayayayayaya)                             |         |                        |
| I (6) be waiting (7) for you (8)            |                   |                           | (Ayayayayayaya)                             |         |                        |
| the end                                     |                   |                           | Oh baby, I only miss you when I             |         |                        |
| I (9)                                       | (10) yo           | ou when I'm breathing     | I'm screaming out (19) name                 |         |                        |
| I only miss you (11) I'm breathing          |                   |                           | But you don't (20) me                       |         |                        |
| Without your love, don't (12) how I survive |                   |                           | I know I kissed your face                   |         |                        |
| It's you, it's you that's keeping me alive  |                   |                           | Is this my fantasy                          |         |                        |
| I (13) miss you when I'm breathing          |                   |                           | Sound the alarm, tell everyone              |         |                        |
| (Ayayayayayaya)                             |                   |                           | That I (21) miss you                        |         |                        |
| (Ayayayayayaya)                             |                   |                           | I only miss yo                              | ou (22) | I'm breathing          |
| (Ayayayayayaya)                             |                   |                           | I (23)                                      | (24)    | you when I'm breathing |
| Oh, I see pictures of you leaving           |                   |                           | Without your love, don't know how I survive |         |                        |
| On (14)                                     | (15)              | walls, and on the ceiling | It's you, it's you that's keeping me alive  |         |                        |
| Gave you a kiss, but I'm dreaming           |                   |                           | I only miss yo                              | ou (25) | I'm breathing          |
| These (16)                                  | thoughts          | s are so deceiving        | I (26)                                      | (27)    | you when I'm breathing |
| You are the drug                            | , I am needing    |                           |   |         |                        |
| Paradise that I'm                           | so seeking        |                           |   |         |                        |
| I'm still alive, (17                        | ') there          | e's a reason              |   |         |                        |
| Can't move my li                            | os, but my heart! | s screaming               |   |         |                        |
