

## Fill in the gaps

Who wants to be right as rain
It's better
When something is wrong
You get excitement in your bones
And everything you do's a game
When night comes
And you're all on (1) own
You can say I (2) to be alone
Who (3) to be right as rain
It's harder when you're on top
'Cause (4) hard work don't pay off
And I'm tired there ain't
No room in my bed
As far as I'm concerned
So wipe that dirty smile off we
Won't be making up
I've cried my heart out
And now I've had enough of love (oh yeah)
And who (5) to be riding high
3 9
When you'll just crumble back on down
When you'll just crumble back on down
When you'll just crumble back on down You give up (6) you are
When you'll just crumble back on down You give up (6) you are And even then you don't get far
When you'll just crumble back on down You give up (6) you are And even then you don't get far They make believe that everything
When you'll just crumble back on down You give up (6) you are And even then you don't get far They make believe that everything Is exactly what it seems
When you'll just crumble back on down You give up (6) you are And even then you don't get far They make believe that everything Is exactly what it seems But at least
When you'll just crumble back on down You give up (6) you are And even then you don't get far They make believe that everything Is exactly what it seems But at least When your at your worst
When you'll just crumble back on down You give up (6) you are And even then you don't get far They make believe that everything Is exactly what it seems But at least When your at your worst You know how to feel things
When you'll just crumble back on down You give up (6) you are And even then you don't get far They make believe that everything Is exactly what it seems But at least When your at your worst You know how to feel things See when hard work don't pay off
When you'll just crumble back on down You give up (6) you are And even then you don't get far They make believe that everything Is exactly what it seems But at least When your at your worst You know how to feel things See when hard work don't pay off And I'm tired there ain't
When you'll just crumble back on down You give up (6) you are And even then you don't get far They make believe that everything Is exactly what it seems But at least When your at your worst You know how to feel things See when hard work don't pay off And I'm tired there ain't No room in my bed
When you'll just crumble back on down You give up (6)

And now

I've had enough of love

Go ahead and steal my heart To make me cry again 'Cause it will never hurt As much as it did then when We were both right And no one had blame But now I give up On this endless game Who wants to be right as rain It's better When something is wrong I get excitement in my bones Even though everything's a strain When night comes and I'm all on my own You should know I chose to be alone Who want to be (7)\_\_\_\_\_ as rain It's harder When your on top 'Cause when hard work Don't pay off and I'm tired There ain't no room in my bed As far as I'm concerned So wipe (8)\_\_\_\_\_ dirty smile off we Won't be making up I've cried my heart out And now I've had enough of love There ain't no room in my bed As far as I'm concerned So wipe (9)\_\_\_\_\_ dirty smile off we Won't be making up I've cried my heart out And now I've had enough of love
