

Fill in the gaps

It's been a long way	I feel so low when you're away
I (1) hard not to fall apart	So (7) out, it's not far
Every (2) I pray	Listen to me pray
And your (3) is singing in my heart	Destiny
I have been waiting	I've been looking for something to (8) me
A long time for you to (4) my hand	Destiny
Loving and hating	Even though I (9) I can't deny you
A desire (5) I don't understand	If I let you go (let you go)
I can't breath, I can't sleep	I betray my soul (my soul)
Why can't I get through to you?	I know that this is something more
I can't think, I can't speak	Even (10) (even though), nothing's spoken for
What am I to do?	(spoken for)
Destiny	A way that you will feel the same
I've been looking for something to guide me	'bout mee ooohhh
Destiny	If I let you go (let you go)
Even though I've tried I can't (6) you	I betray my soul (my soul)
If I let you go, I'd betray my soul	I know this is something more
I know that this is something more	Even though, (even though) nothing spoken for (spoken for)
Even though nothing's spoken for,	I pray that you will feel the same 'bout me
a way that you will feel the same 'bout me	Destiny
Destiny	Faith is within me
Intrumental	Destiny
