

## Fill in the gaps

gotta (1) you what I'm feeling inside	Forever
I could lie to myself, but it's true	Until my life is thru
There's no denying when I (2) in your eyes	Girl I'll be loving you forever
Girl I'm out of my head over you	I see my future when I look in your eyes
I lived so long believing all love is blind	It took your (6) to (7) my heart come
But (3) about	alive
Is telling me this time	I lived my life believing all (8) is blind
It's forever	But (9) about you is telling me this
This time I know and there's no doubt in my mind	time
Forever	It's forever
Until my life is thru, girl I'll be loving you forever	This (10) I know and there's no doubt in my mind
I hear the echo of a promise I made	Forever
When you're strong you can stand on your own	Until my life is thru
Those words grow distant as I look at (4) face	Girl I'll be loving you forever (oh)
No, I don't wanna go it alone	It's forever
I never thought I'd lay my heart on the line	This time I know and there's no doubt in my mind
Everything about you is (5) me this time	Forever
It's forever	Until my life is thru
This time I know and there's no doubt in my mind	Girl I'll be loving you forever
