

Fill in the gaps

Tryin' to say I'm sorry	The things I never (20) you
I didn't (1) to (2) (3) heart	Seem to come easily
And find you waitin' up by the light of day	'Cause you're everything to me
There's a lot I want to (4) you	It's gonna take a (21) time to show you
But I don't know where to start	Just what you mean to me
And I don't (5) (6) I'd do if you walked	Oh yeah
away	It seems the more I get to know you
(Ooh) baby I tried to (7) it	The more I (22) to make you see
I just got (8) along the way	You're (23) I need, yeah
But (9) time I look at you	
No matter what I'm goin' thru	I need you, I need you
It's easy to see	I need you, I need you yeah, yeah
And every time I hold you	(Ooh) baby, baby, baby, I know I hurt you
The things I never (10) you	But you can still believe in me
Seem to come easily	'Cause every (24) I look at you
'Cause you're everything to me	No matter what I'm goin' thru
I never (11) wanted to let you get inside my	It's (25) to see
heart	And every time I (26) you
I (12) to believe this would (13) be	The (27) I never told you
ending	Seem to come easily
I thought it wouldn't matter	'Cause you're everything to me
If it all (14) came apart	You're everything to me
But now I (15) I was just pretending	You're everything to me
(Ooh) baby, I know I hurt you	
But you can still believe in me	
'Cause (16) time I look at you	
No (17) what I'm goin' thru	
It's (18) to see	
And (19) time I hold
