## Window Seat by Erykah Badu

See, on this porch I'm rocking

## Fill in the gaps

	Back and forth like Lightning Hopkins
So, presently I'm standing	If (6) speak to Scotty
Here right now, you're so demanding	Tell him, beam me up
Tell me (1) you want from me	So can I get a window seat
Concluding	Don't want nobody next to me
Concentrating on my music, lover and my babies	I just (7) a ticket out of town
Makes me wanna ask the (2) for a ticket out of	A look around and a safe touch down
town	Can I get a (8) seat
So can I get a window seat	Don't want nobody next to me
Don't want (3) next to me	See, I just want a chance to fly
I (4) want a ticket out of town	A chance to cry and a long bye-bye
A look around and a safe touch down	
(Can I get) a window seat	But I, I need you to miss me
Don't want nobody next to me	I (9) somebody come get me
I just want a chance to fly	I see, I need your attention, yes
A chance to cry and a long bye-bye	And I need your energy, yes, I do
	(Oh oh oh) I, I need someone to clap for me
But I, I (5) you to want me	And I need your direction
I need you to miss me	Somebody say, come back, hey, come back, baby
I, I need your attention, yes	Come back, I want you to need me
I need you next to me	Come back, come back, baby, come back
(Oh) I, I need someone to clap for me	
I need your direction	Come back, come back, baby, come back
Somebody say, come back	Come look for me
Come back, baby, come back	Come back, come back, baby, come back
I want you to need me	So can I get a window seat
Come back (hey) come back, baby	Don't want nobody next to me
Come back, baby	I just (10) a ticket out of town
Come back, come back, baby, come back	A look around and a safe touch down
Come to me	
Come back, come back, baby, come back	I just want a chance to fly
So, in my mind I'm tussling	A chance to cry and a long bye bye
Back and forth (be)tween here and hustling	
I don't wanna time travel no more	
I wanna be here, I'm thinking	

- 1. what
- 2. lady
- 3. nobody
- 4. just
- 5. need
- 6. anybody
- 7. want
- 8. window
- 9. need
- 10. want
