Another Sad Love Song by Toni Braxton

Since you've been gone		Racking my (16)	like crazy	
I've (1) (2) around	d (3)	Guess I'm all torn up		
lately		Be it fast or slow		
With my mind messed up		It doesn't let go		
Jumped in my car tried to clear my mind		Or shake me		
Didn't help me		Oh, baby		
I guess I'm all messed up now baby		Here comes the strings		
Soon as I (4) (5) my	ride	Then somebody sings		
Those memories (6) to play		Only (17)	a beat	
A (7) comes on, on the radio		And then it starts killing me, darling		
And there you are baby once again		Only takes one note, I tell you, from (18) radio		
It's just (8) sad (9)	song	It's just another lonely	(19) song	
Racking my brain (10) crazy		It's just another sad (2	0) song	
Guess I'm all (11) up		Racking my (21) like crazy		
Be it fast or slow		(You (22) yo	ou got me going)	
It doesn't let go		Guess I'm all torn up (g	going (23)	baby)
Or shake me		Be it fast or slow		
And it's all because of you		It doesn't let go		
Since you've been gone		Or (24) me		
I keep thinking about you baby		And it's all because of you		
Gets me all choked up		So sad, so sad		
This heart of mine		So sad, so sad love song		
Keeps dreaming of you and it's (12) baby		And it's all because of you		
You'd think I'd had enough, yeah		So sad, so sad		
As soon as I get you out my head		So sad, so sad love so	ng	
I'm in my car again, ooh darling				
Just one request (13) the radio				
I'm back in (14) or	nce again			
It's just another sad love song
