

Fill in the gaps

Morning After Dark by Timbaland & Nelly Furtado & Soshy

Go Timbo	When the cats come out the (11) come out to play,
'll be the same when it all goes up	yeah
'll be the same (1) it all goes down	In the morning after
Not the first one open it up	The (12) is here, be gone, be on your way, yeah
'll be the last one (2) it out	In the (13) after dark
Don't know if I'll give you a shot yet	Go Nelly
Little mama, I'm peeping your style	I need (14) R.E.M. but
Do I (3) you're dope enough (yup)	I don't like sleeping alone
One way of finding it out	So come and pick me up as
The way you (4) at me (boo)	Soon as you put down the phone
Don't care, not afraid, I'm like wild	I (15) get into trouble
Really want it from head to toe	Later you'll carry me home
Question if she gonna let it out	I wanna go undercover
Anyway the hour glass go	I (16) wanna rattle (17) bones
don't worry anyhow	Yes, I'm the one and only but I'm not the only one
Why don't we see where it go	So let's work overtime on this shift, it ends with the sun
_et's figure it out	Maybe we can start a riot
When the cats come out the bats come out to play, yeah	Maybe we can run this town
n the morning after	Maybe I'll be your vampire
The dawn is here, be gone, be on (5) way, yeah	We could figure it out
n the morning after	When the cats come out the (18) come out to play,
When the cats come out the bats come out to play, yeah	yeah
n the (6) after	In the morning after
The dawn is here, be gone, be on your way, yeah	The dawn is here, be gone, be on your way, yeah
n the morning after dark	In the (19) after
Come on, SoShy	When the cats (20) out the bats come out to play,
got a little secret for you	yeah
never sleep when comes the night	In the morning after
But every time I smack my fingers	The dawn is here, be gone, be on your way, yeah
(7) back (8) the light	In the morning after dark
My moon belongs to your sun	Dark, dark, dark, dark
Your (9) is burning my mind	In the morning after dark
s it love or is it lust	Dark, dark, dark, dark
Something that I just can't describe	In the morning after dark
Am I the one and only	Please don't (21) me, girl
Cause you're the only one	In the morning (22) dark
t felt so long and lonely	Please don't (23) me, girl
Waiting for you to come	In the morning after dark
t's looking bright and early	Please don't (24) me, girl
'm willing to close my eyes	When the cats come out the bats come out to play
This is the unusual story	When the (25) come out the bats come out to play
Timbo and SoShy	Play, play
When the cats come out the bats come out to play, yeah	The dawn is here, be gone, be on your way
n the morning after	Way (way)
The dawn is here, be gone, be on (10) way, yeah	When the cats (26) out the bats (27)
n the morning after	out to play
	Play, play (play)

The dawn is here, be gone, be on your way
