

Fill in the gaps

Picture by Kid Rock & Sheryl Crow

Living my life in a slow hell	I wonder (15) you been
Different girl (1) at the hotel	I can't look at you while I'm lying next to him
I ain't seen the sunshine in	I saw you yesterday (16) an old friend
Three damn days	It was the same old (17) how've you been
Been fueling up on () and whiskey	Since you've been gone my world's (18)
Wish I had a good (3) to miss me	(19) and grey
Lord I wonder if I'll (4) (5) my ways	You reminded me of brighter days
I put your (6) away	I hoped you were (20) home to stay
Sat down and (7) today	I was headed to church
I can't look at you while I'm (8) next to her	I was off to drink you away (drink you away)
I put your picture away	I thought about you for a (21) time
Sat (9) and cried today	Can't seem to get you off my mind
I can't look at you while I'm (10) next to her	I can't understand why we're (22) life this wa
I called you last night in the hotel	I found your picture today
Everyone (11) but they won't tell	I swear I'll change my ways
But (12) half hearted smiles tell me something	I just called to say I want you
Just ain't right	To come back home
I've been waiting on you for a long time	I found (23) (24) today
Fueling up on (13) and cheap wine	I swear I'll change my ways
I ain't heard from you in three damn nights	I (25) (26) to say I (27)
I put your (14) away	you
I wonder where you been	To come back home
I can't look at you while I'm lying next to him	I just called to say I love you
I put your picture away	Come (28) home
