Wonderman by Tinie Tempah & Ellie Goulding

The strong, the mighty	More than the performances in twenty (16)
The forces of evil can (1) destroy	places
The powers of the Wonderman	Benidorm, Vegas, many (17) praises
And though the most formidable journey (2) ahead	Amen, hallelujah
Only one will prevail	Tinie (18) what's happened to ya
Wonder, Wonderman	(Yeah) they love that attitude
(Ah, yeah)	Brand new and improved
These haters couldn't get to (3) I am	(Yeah) And when the fans (19)
With a full tank of petrol	(20) you
(Ah) My uncle used to drink a can of kestrel	Show gratitude with a little brag or two
When life got stressful	Amen, hallelujah
(Ah) What kind of person should you be	Tinie (21) (22) happened to
When you wanna make people to (4) you	ya who can say they ran
(Ah) What does it really mean	All the obstacles I ran, look
When you (5) of being famous and successful	I traded friends for fans
When you (6) born to be special	Cement for sand
(Ah, yeah) And I went (7) the kid in class	Raise your hand
Text some (8) DJs so they could bring me up	The Wonderman
To the young rapper everybody's ringing up	(And) I see the bright lights shine in your face
Got them looking for a (9) of that pixie	We're counting on you
dust	To take it all away (the Wonderman)
Mad thoughts in my head when it's (10) up	I saw the (23) one
Like, are you really big enough	They're calling your name
I traded friends for fans	(The Wonderman)
Cement for sand	Come on, come on
Raise (11) hand	The (24) are where you belong
The Wonderman	Come on, follow
(And) I see the bright lights shine in your face	Your heart is gonna take you home
We're counting on you	Come on, (25) on
To take it all away (the Wonderman)	The stars are where you belong
I saw the chosen one	There's no turning back (26) here
They're calling your name	And I see the bright lights shine in your face
The Wonderman	We're counting on you
Bored of (12) nameless	To take it all away (the Wonderman)
Bored of feeling awkward when you (13) up in the	I saw the chosen one
mall	They're calling your name
And can't afford a pair of trainers	The Wonderman
Imagine when it changes	From (27) day on
Imagine satisfaction (14) you make it	The world will never be the same
It's more than being famous	
More then the applause and more than any (15) of	
status
