## AutoTune by Jason Chen & Bubzbeauty

	You always know how to (16) me
I was young lost stupid	(17) back
Didn't know what I was (1) wrong	When my (18) is off
Just eat sleep feeling free	You (19) it all (20) when its all so
Then I'd party all night long	wrong
But I would never get too worried	You're my auto tune, you can be my auto tune
About the little (2) in life	
I knew I won the lottery	Be my auto tune
'Cause baby can't you see	
Just thinking about you as I sing (3) song	Baby be my auto tune
'Cause (4) you're (5) I can do no	
wrong	Just (21) about you as I sing this song
And I'm never too sharp, never flat	'Cause when you're around I can do no wrong
Girl imagine that	And I'm never too sharp, never flat
You (6) know how to (7) me	Girl (22) that
right back	You always know how to (23) me right back
When my pitch is off	When my pitch is off
You make it all right (8) its all so wrong	You make it all right when its all so wrong
You're my auto tune, you can be my auto tune	You're my auto (24) (you can be my auto tune)
	Just thinking about you as I sing this song
Now I've found my way (9) ever (10)	'Cause (25) you're around I can do no wrong
you came along	And I'm never too sharp, never flat
As I (11) to the radio, bumping to our	Girl imagine that
(12) song	You (26) know how to bring me right back
You (13) more than a Grammy	When my pitch is off
And all the money in the world	You make it all (27) when its all so wrong
Every time that I get off key girl	You're my auto tune
Continue to save me	You can be my auto tune
Just thinking about you as I (14) this song	
'Cause (15) you're around I can do no wrong	
And I'm never too sharp, never flat
