The Drugs Don't Work by The Verve

All (1) (2) of getting old	Waiting to drown
It's getting me down, my love	This time I'm coming down
Like a cat in a bag	Now the (12) don't work
Waiting to drown	They just make you worse but I
This (3) I'm coming down	Know I'll see (13) (14) again
And I hope you're thinking of me	'Cause baby
As you lay down on your side	(Oooh)
Now the (4) don't work	If Heaven calls, I'm coming, too
They just make you (5) but I	Just (15) you said
Know I'll see your face again	You (16) my life
Now the drugs don't work	I'm better off dead
They (6) make you worse but I	But if you (17) show
Know I'll see your (7) again	Just let me know and I'll
But I know I'm on a (8) streak	Sing in your ear again
'Cause I passed down my old street	Now the drugs don't work
And if you wanna show	They (18) make you worse but I
Then just let me know and I'll	Know I'll see your face again
Sing in (9) ear again	Yeah, I know I'll see your (19) again
Now the drugs don't work	Yeah, I know I'll see your face again
They just (10) you worse but I	Yeah, I (20) I'll see (21) face again
Know I'll see your (11) again	Yeah, I (22) I'll see (23) face again
'Cause baby	I'm never going down, I'm never coming down
(Oooh)	No more, no more, no more, no more
If Heaven calls, I'm coming, too	I'm never (24) down, I'm never going down
Just like you said	No more, no more, no more, no more
You leave my life	I'm never going down, I'm never coming down
I'm better off dead	No more, no more, no more, no more
All this talk of getting old	
It's getting me down, my love
