

## Fill in the gaps

If I never feel you in my arms again	That I (6) never breathe again (breathe again)
If I never feel your tender kiss again	And I can't stop thinking about
If I never hear I love you now and then	About the way my life would be
Will I never make love to you once again	No, I can't stop thinking about
Please understand, if love ends	How could you love me then leave
Then I promise you, I promise you that	And I can't get you out of my mind
That I shall never breathe again	God knows how hard I've tried
(Breathe again, breathe again)	And if you walk right out my life
That I shall never breathe (1) (breathe again)	God knows I'd (7) die
And I can't stop thinking about	And I can't (8) doing without (no, no)
About the way things used to be	Without the wailing of my heart
And I can't stop thinking about	No, I can't stop doing without (no, no)
About the love that you made to me	For I would surely fall apart
And I can't get you out of my head	And I can't get you out of my mind
How in the (2) will I begin	And I know I can't deny it
To let you walk right out my life and blow my heart away	And I would die if you decide you won't see me again
And I can't stop caring about	If I never feel you in my arms again (if I never, ever)
About the apple of my eye	If I never feel your tender kiss again (no, no,no)
And I can't stop doing without	If I never hear I love you now and then (now and then)
Without the center of my life	Will I never (9) love to you once again (never make
And I can't get you out of my head	love)
And I know I can't pretend	Please understand, if love ends
That I won't die if you decide you won't see me again	Then I promise you, I promise you that
If I never feel you in my arms again (again)	That I shall never breathe again
If I never feel your tender kiss (3) (again)	(breathe again, breathe again)
If I never hear I love you now and then (and then)	That I shall never breathe again (breathe again)
Will I never make (4) to you once again	That I shall never breathe again
Please understand, if love ends	(breathe again, breathe again)
Then I promise you, I promise you that	That I shall never breathe
That I shall (5) breathe again	Again
(Breathe again, breathe again)
