

## Fill in the gaps

Nobody knows it but you've got a secret smile	Nobody knows it but you've got a secret smile
And you use it only for me	And you use it only for me
Nobody knows it but you've got a secret smile	So use it
And you use it only for me	And prove it
So use it	Remove this
And (1) it	Whirling sadness
Remove this	I'm losing
Whirling sadness	I'm bluesing
I'm losing	But you can
I'm bluesing	Save me from madness
But you can	Nobody knows it
Save me from madness	Nobody knows it
Nobody knows it but you've got a secret smile	Nobody knows it
And you use it only for me	But you've got a secret
Nobody knows it but you've got a (2) smile	Nobody knows it
And you use it (3) for me	Nobody knows it
So save me	Nobody (7) it
I'm waiting	But you've got a secret
I'm needing	Nobody knows it
Hear me pleading	Nobody knows it
And soothe me	Nobody knows it
Improve me	But you've got a secret
I'm grieving	Nobody knows it
I'm barely believing now, now	Nobody knows it
When you are flying around and (4) the world	Nobody knows it
And I'm lying all lonely	But you've got a secret
I know there's something	(Nobody knows it)
Sacred and (5) reserved	Nobody (8) it but you've got a (9)
And received by me only	smile
Nobody knows it but you've got a secret smile	And you use it only for me
And you use it (6) for me
