

## Fill in the gaps

Everything is wonderful	Leave a light on in Heaven
Being here is heavenly	Save me, save me
Every (1) day she sins	Be the light in my eyes
Everything is free	And if I say ten Hail Mary's
I used to be so careless	Leave a light on in Heaven for me
As if I couldn't care less	If you want the fruit to fall
Did I have to make (2) place	You have to give the (12) a shake
When I was Mary's prayer	But if you (13) the (14) too hard
Suddenly the (3) rolled	The bough is (15) break
Suddenly the rain came down	And if I can't reach the top of the tree
Suddenly was washed away	Mary you can hold me up there
The Mary that I knew	What I wouldn't (16) to be
So when you find somebody you keep	When I was Mary's prayer
Think of me and celebrate	So if I say save me, save me
I (4) (5) a big mistake	Be the light in my eyes
When I was Mary's prayer	And if I say ten hail Mary's
So if I say save me, (6) me	Leave a (17) on in Heaven
Be the (7) in my eyes	Save me, save me
And if I say ten Hail Mary's	Be the light in my eyes
Leave a light on in (8) for me	And if I say ten Hail Mary's
Blessed is the one who shares	Leave a light on in Heaven
The power and (9) beauty, Mary	Save me, save me
Blessed is the millionaire	Be the (18) in my eyes
Who shares your (10) day	What I wouldn't give to be
So when you find somebody to give	When I was Mary's prayer
Think of me and celebrate	What I wouldn't give to be
I made such a big mistake	When I was Mary's prayer
When I was Mary's prayer	What I wouldn't (19) to be (save me)
So if I say save me, save me	When I was Mary's prayer
Be the light in my eyes	
And if I say ten (11) Mary's
