

Fill in the gaps

I wenty (1) on the back time	About you
I feel you're on the run	Yeah, you can say (13) you want
Never (2) too long to (3) right	But it won't change my mind, I'll feel the same
I see you're doing fine	About you
And (4) I get that feeling	And you can (14) me your reasons
I can no longer slide	But it won't change my feelings, I'll (15) the same
I can no (5) run, oh, no, no	About you
And when I get (6) feeling	I've said goodnight, try to sleep tight
I can no longer hide	Just dream of me
For it's no longer fun, oh, no, no	Go, close (16) (17) 'cause I've closed
Yeah, you can say what you want	mine
But it won't change my mind, I'll feel the same	The sun will shine from (18) to time
About you	When you dream of me, yeah
And you can tell me your reasons	You can say what you want
But it won't change my feelings, I'll feel the same	But it won't change my mind, I'll feel the same
About you	About you
What I am is (7) you want of me	And you can tell me your reasons
Yeah, now (8) I'm not there	But it won't (19) my feelings, I'll feel the same
I took the tables away from you	About you
It's turned and I don't care	Yeah, you can say what you want
And when I get that feeling	But it won't (20) my mind, I'll feel the same
I can no longer slide	About you
I can no longer run, oh, no, no	And you can tell me your reasons
And when I get (9) feeling	But it won't change my feelings, I'll feel the same
I can no longer hide	About you
For it's no (10) fun, oh, no, no	Yeah, you can say what you want
Yeah, you can say what you want	But it won't change my mind, I'll (21) the same
But it won't change my mind, I'll (11) the same	About you
About you	And you can tell me your reasons
And you can tell me your reasons	(But it won't change my feelings)
But it won't (12) my feelings, I'll feel the same
