

Fill in the gaps

Sign Your Name (Cover) by Sheryl Crow

Fortunately you	Sign your name across my heart (across my heart)
Have someone who relies on you	I want you to be my baby
We started out as friends	Birds never looked into the sun before the day is gone
But the thought of you just caves me in	(Oh) the light shines (7) on a peaceful day
The (1) are so deep	A stranger blue
It's much too (2) to turn away	Leaves us alone, we don't want to deal with you
We started out as friends	We'll shed our stains
Sign your name across my heart (across my heart)	Showering in the room (8) makes the rain
I want you to be my baby	All alone with you
Sign your (3) across my heart (across my heart)	Makes the butterflies in me arise
I want you to be my baby	Slowly we make love
Time, I'm sure, (4) bring	Sign your name across my heart (across my heart)
Disappointments in so many things (so (5) things)	I want you to be my baby
It seems to be the way	Sign your name (9) my heart (across my
When (6) gambling cards on love you play	heart)
I'd rather be in hell	I want you to be my baby
With you, baby, than in cool Heaven	Sign (10) name across my heart (sign your name)
It seems to be the way	
Sign your name across my heart (across my heart)	
I want you to be my baby
