

You And Your Hand by P!nk Check it out, (1)______ out, on the late night Looking tight, feeling nice, it's a (2)_____ fight I can tell, I just know that it's going down Tonight At the door we don't wait 'cause we know them At the bar six shots just beginning That's when dick head put his hands on me But you see I'm not here for your entertainment You don't really want to mess with me tonight Just stop and take a second

Before it began

Keep your drink, just give me the money

It's just you and your hand tonight

Midnight, I'm drunk, I don't give a (f...)

I was fine before you walked into my life

'Cause you know it's over

Wanna dance by myself, guess you're out of luck Don't touch, back up, I'm not the one

(Ah) bye bye

Listen up it's just not happening

You can say what you want to your boyfriends

Just let me have my fun tonight

I'm not here for your entertainment

You don't really want to mess with me tonight

Just stop and take a second

I was fine before you walked into my life

'Cause you know it's over

Before it began

Fill in the gaps

Keep your drink, just give me the money
