That Don't Impress Me Much by Shania Twain

I've known a few guys who thought they were pretty smart	That don't (6) me much
But you've got being right down to an art	You're one of those guys who likes to shine his machine
You think you're a genius, you drive me up the wall	You make me take off my shoes before you let me get in
You're a regular original, a know-it-all	I can't believe you kiss your car good night
You think you're special	Now come on baby tell me
You think you're something else	You must be joking, right
Okay, so you're a rocket scientist	You (7) you're something special
That don't impress me much	You think you're something else
So you got the brain but have you got the touch	Okay, so you've got a car
Don't get me wrong, yeah, I think you're alright	That don't impress me much
But that won't (1) me warm in the middle of the	So you got the moves but have you got the touch
night	Now, don't get me wrong, yeah, I (8) you're
That don't impress me much	alright
I never knew a guy who carried a (2) in his	But that won't keep me warm in the middle of the night

And a comb up his sleeve, (3) in case	You think you're cool but have you got the touch
And all that extra hold gel in your hair ought to lock it	Don't get me wrong, yeah, I think you're alright
'Cause Heaven forbid, it should (4) out of place	But that won't keep me (9) on the long, cold, lonely
You think you're special	night
You think you're something else	That don't impress me much
Okay, so you're Brad Pitt	Ok, so what do you think you're (10) o
That don't impress me much	something
So you got the looks but have you got the touch	Whatever
Now don't get me wrong, yeah I think you're alright	That don't impress me
But that won't (5) me warm in the middle of the
