The sun goes down	You and me
The stars come out	Turn the (13) out now
And all (1) counts	Now I'll (14) you by the hand
Is here and now	Hand you another drink
My universe will (2) be the same	Drink it if you can
I'm glad you came	Can you spend a little time
You cast a spell on me, (3) on me	Time is slipping away, away from us so stay
You hit me like the sky (4) on me, fell on me	Stay with me I can make
And I decided you look well on me, well on me	Make you glad you came
So let's go somewhere no-one else can see	The sun goes down
You and me	The stars come out
Turn the lights out now	And all (15) counts
Now I'll take you by the hand	Is here and now
Hand you another drink	My universe will never be the same
Drink it if you can	I'm glad you came
Can you spend a little time	I'm glad you came
Time is slipping away, away (5) us so stay	I'm (16) you came
Stay with me I can make	So glad you came
Make you glad you came	I'm (17) you came
The sun goes down	I'm (18) you came
The stars come out	The sun (19) down
And all that counts	The (20) come out
ls (6) and now	And all that counts
My universe (7) never be the same	Is here and now
