That we found just today

Fill in the gaps

Islands (Live) by Mike Oldfield & Bonnie Tyler

Islands	I was (16) in the forest
From the (1) time we saw	And you showed me the way
We could wait for (2) moment	When the night's on fire
Like (3) on the shore	(Oh) Will you (17) the candlelight burning
We can never	Hold on to your heart's desire
Be (4) somehow	When you see one bird
For the (5) lasts	Into the wind another one's turning
Is (7) (8) now	And the two can fly (18) higher (higher)
When the night's on fire	We are islands but never too far
(Oh) Will you (9) the candlelight burning	We are islands
Hold on to (10) heart's desire	And I need (19) (20) tonight
When you see one bird	And I need your light tonight
Into the wind another one's turning	We are islands but never too far
And the two can fly much higher (higher)	We are islands
We are islands but never too far	And I need your light tonight
We are islands	And I need your light tonight
And I need your (11) tonight	We are islands but never too far
And I need your light tonight	We are islands
We are islands but never too far	And I (21) your (22) tonight
We are islands	And I need (23) (24) tonight
And I need (12) (13) tonight	We are islands but never too far
And I (14) your light tonight	We are islands
Islands	And I (25) your light tonight
Never been to before	And I need your light tonight
And we (15) so high	We are islands but (26) too far
To where the wild birds soar	We are islands
There's a new path
