

And love, love, love, all through our minds

5 Years Time by Noah and the Whale

Well in five years time we could be (1)	And it'll be love, love, love, all over her face
round the zoo	And love, love, love, all over mine
With the sun shining down over me and you	And though merely all these moments
And there'll be love in the bodies of the elephant's too	Are just in my head
I'll put my hands over your eyes, but you peek through	I'll be thinking about them as I'm lying in bed
And there'll be sun, sun, sun	And I know that it merely, they might not (7) come
All over our bodies, and sun, sun, sun	true
All down our necks there'll be sun, sun, sun	But in my mind I'm having a pretty (8) time with
All (2) our faces and sun, sun, sun	you
So, what the heck	Oh in five years time
cause I'll be laughing at (3) (4)	I might not know you
(5) jokes	In five years time
And we'll be laughing about how we used to smoke	We might not speak
All those stupid little cigarretes and drink stupid wine	In five years time
Cause it's what we (6) to have a good time	We might not get along
But it was fun, fun, fun	In five (9) time
When we were drinking, it was fun, fun, fun	You might just prove me wrong
When we were drunk and it was fun, fun, fun	Oh there'll be love, love, love
When we were laughing, it was fun, fun, fun	Wherever you go there'll be love, love, love
Oh, it was fun	Wherever you go there'll be love, love, love
Oh, well I'll look at you and say	Wherever you go there'll be love, love, love
It's the happiest that I've ever been	Wherever you go there'll be love, love, love
And I'll say I no longer feel, I have to be James Dean	Wherever you go there'll be love, love, love
And she'll say, yeah well I feel all pretty happy too	Wherever you go there'll be love, love, love
And I'm always pretty happy	Wherever you go there'll be love, love, love
When I'm just kicking back with you	Wherever you go there'll be love
And it'll be love, love, love, all through our bodies
