5 Years Time by Noah and the Whale

Well in five years time we could be walking round the zoo
With the sun shining down over me and you
And there'll be (1)_____ in the bodies of the elephant's
too
I'll put my hands over your eyes, but you peek through
And there'll be sun, sun, sun
All over our bodies, and sun, sun, sun
All down our necks there'll be sun, sun, sun
All over our faces and sun, sun, sun
So, what the heck
'cause I'll be (2)_____ at your silly
(3)_____ jokes
And we'll be laughing (4)_____ how we used to smoke
All those stupid little cigarettes and drink stupid wine
'Cause it's what we needed to have a good time
But it was fun, fun, fun
When we were drinking, it was fun, fun, fun
When we were drunk and it was fun, fun, fun
When we were laughing, it was fun, fun, fun
Oh, it was fun
Oh, well I'll look at you and say
It's the happiest that I've ever been
And I'll say I no longer feel, I have to be James Dean
And she'll say, yeah well I (5)_____ all pretty happy too
And I'm (6)_____ pretty happy
When I'm (7)_____ kicking back with you
And it'll be love, love, love, all through our bodies
And love, love, love, all through our minds

And it'll be love, love, love, all over her face
And love, love, love, all over mine
And though merely all these moments
Are just in my head
I'll be (8)_____ about them as I'm lying in bed
And I know that it merely, they might not even come true
But in my mind I'm having a (9)_____ good time
with you
Oh in five years time
I might not know you
In five years time
We might not speak
In five years time
We might not get along
In five (10)_____ time
You might just prove me wrong
Oh there'll be love, love, love
Wherever you go there'll be love
