

And it'll be love, love, love, all through our bodies And love, love, love, all through our minds

## 5 Years Time by Noah and the Whale

Well in five years time we could be (1)	And it'll be love, love, love, all over her face
round the zoo	And love, love, love, all over mine
With the sun shining down over me and you	And (5) merely all these moments
And there'll be love in the bodies of the elephant's too	Are just in my head
I'll put my hands over your eyes, but you peek through	I'll be thinking about them as I'm (6) in bed
And there'll be sun, sun, sun	And I know that it merely, they might not (7) come
All over our bodies, and sun, sun, sun	true
All down our necks (2) be sun, sun,	But in my mind I'm having a pretty good time with you
sun	Oh in five years time
All over our faces and sun, sun, sun	I might not know you
So, what the heck	In five years time
cause I'll be laughing at your silly little jokes	We (8) not speak
And we'll be laughing about how we used to smoke	In five years time
All those stupid little (3) and drink	We (9) not get along
stupid wine	In five years time
Cause it's what we (4) to have a good time	You might just prove me wrong
But it was fun, fun, fun	Oh there'll be love, love
When we were drinking, it was fun, fun, fun	Wherever you go there'll be love, love, love
When we were drunk and it was fun, fun, fun	Wherever you go there'll be love, love, love
When we were laughing, it was fun, fun, fun	Wherever you go there'll be love, love, love
Oh, it was fun	Wherever you go there'll be love, love, love
Oh, well I'll look at you and say	Wherever you go there'll be love, love, love
It's the happiest that I've ever been	Wherever you go there'll be love, love, love
And I'll say I no longer feel, I have to be James Dean	Wherever you go there'll be love, love, love
And she'll say, yeah well I feel all pretty happy too	Wherever you go there'll be love
And I'm always pretty happy	
When I'm just kicking back with you
