

## Fill in the gaps

| You took my hand, you (1) me h            | OW  | And ever                           |                |            |      |
|---|-----|------------------------------------|----------------|------------|------|
| You promised me you'd be around           |     | Who knew                           |                |            |      |
| That's right                              |     | l'll (19) you                      | (20)           | in my head |      |
| I took your words and I believed          |     | Until we (21)                      | _ again        |            |      |
| In everything you said to me              |     | Until we, until we (22)            | agair          | 1          |      |
| That's right                              |     | And I won't forget you my friend   |                |            |      |
| If (2)(3)(4)_                             |     | What happened                      |                |            |      |
| (5) now                                   |     | If (23)                            | said three     | (24)       | from |
| You'd be (7) gone                         |     | now                                |                |            |      |
| I'd (8) up and (9) (                      | 10) | You'd be (25)                      | gone           |            |      |
| out                                       |     | I'd stand up and punch             | n (26)         | out        |      |
| 'cause they're all wrong                  |     | 'Cause they're all wrong and       |                |            |      |
| I (11) better                             |     | That last kiss                     |                |            |      |
| 'Cause you said forever                   |     | I'll cherish                       |                |            |      |
| And ever                                  |     | Until we meet again                |                |            |      |
| Who knew                                  |     | And time makes it harder           |                |            |      |
| Remember (12) we were such fools          |     | I (27) I could remember            |                |            |      |
| And so (13) and just too cool             |     | But I keep your memory             |                |            |      |
| Oh no, no no                              |     | You (28)                           | me in my sleep |            |      |
| I wish I (14) touch you again             |     | My darling, who knew               |                |            |      |
| I (15) I could still call you friend      |     | My darling, my darling             |                |            |      |
| I'd give anything                         |     | Who knew                           |                |            |      |
| When someone said (16) your blessings now |     | My darling, I miss you, my darling |                |            |      |
| For they're long gone                     |     | Who knew                           |                |            |      |
| I guess I just didn't know how            |     | Who knew                           |                |            |      |
| I was all wrong                           |     |                                    |                |            |      |
| They (17) better                          |     |                                    |                |            |      |
| Still you (18) forever                    |     |                                    |                |            |      |
