

Fill in the gaps

	Hope we get lucky and stay out of jail
When the (1) go down	So come on, (15) on
When you're stuck (2) in this town	Baby, I'm buying
With nowhere to go	I got enough to last us all night and
So you escape through the radio	You got the kiss (16) tastes like honey
And you worked all week	And I got a (17) beer money
To barely make (3) meet	Tonight, tonight
Well, I gotta a (4) cash burning	Baby, we're drinkin'
(5) in my pocket	Let's (18) the town that (19) stops
Foot on the gas, taking off like a rocket	sleeping
So come on, come on	You got the kiss that tastes like honey
Baby, I'm buying	And I got a little beer money
I got (6) to last us all night and	So (20) on, come on
You got the kiss that tastes like honey	Baby, I'm buying
And I got a little beer money	I got (21) to last us all night and
Tonight, Tonight	You got the (22) that tastes like honey
Baby, we're drinkin'	And I got a little bit of beer money
Let's (7) the (8) that never stops	Tonight, tonight
sleeping	Baby, we're drinkin'
You got the (9) (10) tastes like honey	Let's wake the (23) that never (24)
And I got a (11) beer money	sleeping
We can dance in the dark	You got the kiss that tastes like honey
Blow the speakers out of this car	And I got a little beer money
Light it up, burn it down	So come on, come on
Until the morning (12) around	Yeah, come on, come on
In a field, (13) we can scream	
Get away with (14) anything	
Yeah, every now and then you gotta raise a little hell
