Always Look on the Bright Side of Life by Monty Python

(Cheer up man)
(You know what they say)
(Some things in life are bad)
(They can (1)_____ make you mad)
(Other things just make you swear and curse)
When you're chewing on life's gristle
Don't grumble, give a whistle
And whistle helps things (2)_____ out for the best
And
Always (3)_____ on the bright side of life
Always look on the light side of life
If (4)_____ seems jolly rotten
There's something you've forgotten
And that's to laugh and smile and dance and sing
When you're feeling in the dumps
Don't be silly chumps
Just purse your lips and whistle, that's the thing
And always look on the bright side of life
(Come on)
Always look on the bright side of life
For life is quite absurd and death's the final word
You must always face the curtain with a bow
Forget about your sin, give the audience a grin
Enjoy it, it's your last chance anyhow
So always look on the bright side of death
Just before you draw your terminal breath

Life's a piece of (....) when you look at it
Life's a laugh and death's a joke, it's true
You'll see it's all a show, keep them laughing as you go
Just remember that the last laugh is on you
And (5)_____ look on the bright (6)_____ of life
Always (7)_____ on the right side of life
(Come on guys, (8)_____ up)
Always look on the bright side of life
Always look on the bright side of life
Worse things happen at sea, you know
Always look on the bright side of life
(What (9)_____ you got to lose)
You know, you come from nothing
You're going back to nothing
What (10)_____ you lost (nothing)
Always look on the right side of life
Nothing will come from nothing, you know, lifestyle...
Always look on the bright side of life
