

## Fill in the gaps

From the day that I met you girl	Cuz I want you to know that I need you
I knew that your love would be	I need you, for the rest of my life girl
Everything that I ever wanted in my life	I need you, say that you'll be my wife oh
From the (1) you spoke my name	I love you, Wont you marry me (6) me
I new everything had changed	Oh I need you (nobody but you)
Because of you I (2) my (3) would be	Oooh I need you, for the (7) of my life
complete	Oh I need you (nobody but you)
[Refrain]	Wont you (8) me marry me
Oh baby I need you	I love you, I really need ya baby (I
For the rest of my life girl I need you	really need nobody but you)
To make everything right girl	I need you
I (4) you	Girl I really need need you
And I'll never deny that I need you	girl I really need you need you
Nothing matters but you my love	(I need you)
And only God above	Oohhh (9) I love you (I love you)
Could be the one to know exactly how I feel	I need you, Girl I really need
I could die in your arms right now	ya need ya oh baby
Knowing that you somehow	Wont you marry me (I need you)
Would take my soul and keep it	Wont you marry me marry me
deep inside (5) heart	I love you oohh
[Repeat refrain]	I need you. (I really need nobody but you)
Girl your love to me feels just like magic	
When you smile you have total control	
You have power like nothing I've felt before	
I've let all of my feelings show
