Fill in the gaps

And I'm alright
Standing in the streetlights here
Is this meant for me
My time on the (1)_____ is over
We don't know how you're spending
All of your days knowing
That love isn't here
You see the pictures
But you don't know (2)_____ names
'Cause love isn't here
And I can't do this by myself
All of these problems
They're all in your head
And I can't be somebody else
You took something perfect
And painted it red
No sympathy
When shouting out is all you know
Behind your lies
I can see the (3)_____ you don't show
And we don't know how you're spending
All of (4)_____ days knowing
That love isn't here
You see the pictures
But you don't know their names
'Cause love isn't here
I can't do this by myself

All of these problems
They're all in your head
And I can't be somebody else
You took something perfect
And painted it red
You took something perfect
And painted it red
You (5)_____ the (6)_____ things from me
Then everything gets empty
That's not a world that I need
You take the best things from me
Then everything gets empty
That's not a (7)_____ that I need
And I can't do this by myself
All of these problems
They're all in your head
And I can't be somebody else
You took (8)_____ perfect
And painted it red
Red, you took (9)_____ perfect
And painted it red
Red, you took something perfect
And painted it red
You took something perfect
And (10)_____ it red
