

## Fill in the gaps

And I'm alright		All of (15) problems	
Standing in the (1)	here	They're all in your head	
Is (2) meant for me		And I can't be somebody else	
My time on the outside is over		You (16) something perfect	
We don't (3) how you're spending		And (17) it red	
All of your days knowing		You (18) something perfect	
That (4) isn't here		And (19) it red	
You see the pictures		You take the best (20) from me	
But you don't know (5) names		Then (21) gets empty	
'Cause love isn't here		That's not a world that I need	
And I can't do (6) by myself		You take the best things (22) me	
All of these problems		Then everything gets empty	
They're all in (7) head		That's not a world that I need	
And I can't be (8) else		And I can't do (23) by myself	
You took something perfect		All of (24) problems	
And painted it red		They're all in (25) head	
No sympathy		And I can't be somebody else	
When shouting out is all you know		You took something perfect	
Behind (9) lies		And painted it red	
I can see the (10) you don't sho	DW .	Red, you took something perfect	
And we don't know how you're spending		And painted it red	
All of (11) days knowing		Red, you took (26) perfec	ct
That (12) isn't here		And painted it red	
You see the pictures		You took (27) perfect	
But you don't (13) their names		And painted it red	
'Cause love isn't here			
Lean't do (14) by mysolf
