Heartless (Cover) by The Fray

They say that they don't see what you see in me

Fill in the gaps

In the night, I hear 'em talk	You wait a couple months then you gon' see
The coldest story ever told	You'll never find nobody better than me
Somewhere far (1) this road	In the night, I hear 'em talk
He lost his soul to a woman so heartless	The coldest story ever told
How could you be so heartless?	Somewhere far along this road
How could you be so heartless?	He lost his (6) to a woman so heartless
How could you be so cold	How could you be so heartless?
As the winter wind when it breeze, yo	How could you be so heartless?
Just remember that you talkin' to me though	Talk and talk and talk
You need to (2) the way you talkin' to me though	Baby let's just knock it off
I mean (3) all the things that we've been through	They don't know what we been through
I mean after all the things we got into	They don't know 'bout me and you
Hey yo, I know of some things that you ain't told me	So I got something new to see
Hey yo, I did some things but that's the old me	And you just gon' keep hatin' me
And now you wanna get me back and you gon' show me	And we just gon' be enemies
So you walk around like you don't know me	I know you can't believe
You got a new friend, well I got homies	I could just leave it wrong
In the end it's still so lonely	And you can't make it right
In the night, I hear 'em talk	So I'm gon' take off tonight
The coldest (4) ever told	Into the night
Somewhere far along this road	I hear 'em talk
He lost his soul to a woman so heartless	The (7) story ever told
How could you be so heartless?	Somewhere far along this road
How (5) you be so heartless?	He lost his soul to a (8) so heartless
How could you be so Dr. Evil	How could you be so heartless?
You bringin' out a side of me that I dont know	How could you be so
I decided we weren't gon' speak so	In the night, I hear 'em talk
Why we up 3 A.M. on the phone	The coldest story ever told
Why does she be so mad at me fo'	Somewhere far along (9) road
Homie I dont know, she's hot and cold	He lost his soul to a woman so heartless
I won't stop, won't mess my groove up	How could you be so heartless?
'Cause I already know how this thing go	How could you be so heartless?
You run and tell your friends that you're leaving me
