Heartless (Cover) by The Fray

Fill in the gaps

In the night, I hear 'em talk	You wait a couple months then you gon' see
The coldest story ever told	You'll never find nobody better (16) me
Somewhere far along this road	In the night, I hear 'em talk
He lost his (1) to a (2) so heartless	The coldest story ever told
How could you be so heartless?	Somewhere far (17) this road
How could you be so heartless?	He lost his soul to a woman so heartless
How could you be so cold	How could you be so heartless?
As the winter wind when it breeze, yo	How could you be so heartless?
Just remember that you talkin' to me though	Talk and talk and talk
You need to watch the way you talkin' to me though	Baby let's just knock it off
I mean after all the things that we've been through	They don't know what we been through
I mean (3) all the things we got into	They don't know 'bout me and you
Hey yo, I know of some things that you ain't told me	So I got something new to see
Hey yo, I did some things but that's the old me	And you (18) gon' keep hatin' me
And now you wanna get me back and you gon' show me	And we just gon' be enemies
So you walk around like you don't know me	I know you can't believe
You got a new friend, well I got homies	I could just (19) it wrong
In the end it's still so lonely	And you can't make it right
In the night, I hear 'em talk	So I'm gon' take off tonight
The (4) story ever told	Into the night
Somewhere far along this road	I hear 'em talk
He (5) his (6) to a woman so	The (20) story ever told
heartless	Somewhere far (21) this road
How could you be so heartless?	He (22) his soul to a woman so heartless
How (7) you be so heartless?	How could you be so heartless?
How (8) you be so Dr. Evil	How (23) you be so
You bringin' out a (9) of me (10) I dont	In the night, I hear 'em talk
know	The coldest (24) ever told
I decided we weren't gon' speak so	Somewhere far along this road
Why we up 3 A.M. on the phone	He lost his soul to a woman so heartless
Why (11) she be so mad at me fo'	How could you be so heartless?
Homie I (12) know, she's hot and cold	How could you be so heartless?
