### Fill in the gaps

New York was cold and damp				
TV is (1) a blank				
Looks like another dead end Sunday				
What (2) an (3) night				
Monday never feels so bright				
(Ooh) the sheets feel cold and lonely				
There goes the telephone				
Suddenly you feel at home				
And there's a (4) voice on the line				
Who wants to brave the pouring rain				
For a (5) of French champagne?				
Well grab a cab, grab a cap and baby, come right by				
And she was hot				
As she kissed my mouth				
She was hot				
As I wiped her brow				
She was hot				
She pinned me to the ground				
She was quick				
She knew her way around				
She was hot				
As she tore my clothes				
She was hot				
She had no place to go				
She was hot				
On a cold and rainy night				
Detroit was smoky grey				
Nothing like the good old days				

Well I got a fever that I'm fighting

Uinglés				
I don't need your company				
Leave me in my misery				
I can take the rebound just like lightning				
And she was hot				
In a 50's dress				
She was hot				
Her lips were (6) red				
I was lost				
In her burning flesh				
I was hot				
I was dripping sweat				
She was hot				
In the (7) snow				
She was hot				
She had no place to go				
She was hot				
On a cold and (8) night				
And she was hot				
And I had the blues				
She was hot				
Honey, where were you?				
If you were in my shoes				
You would be excused				
She was hot				

You can never wait

She was hot

Never hesitate

She was hot

On a cold and rainy night

I think I'm going off the rails

#### Riding down the pleasure trails

I was taking passion where you	find it
Honey when you (9)	young and fresh
And you need the touch of your	flesh
Go take the treasure where you	find it
And she was hot	
In the melted snow	
She was hot	
In the molten glow	
She was hot	
She got it in the blood	
She was hot	
Like the dam that bursts	
She was strong	
She was strong and true	
She was black	
And her eyes (10) bl	ue
She was lost	
And she took a chance	
At just a brief romance	
Down the avenue	
Into the lost bayou	
Into the tall bamboo	
Back to the human zoo	
I wish you all the best	
I hope we meet again	
On a cold Chicago night	
She was hot	
She was hot	

She was hot hot hot
