## Anybody Seen My Baby by The Rolling Stones

	It's (14) in the afternoon
She confessed her love to me	Has she disappeared
Then she vanished on the breeze	Has she really gone for good
Trying to hold on to (1) was just impossible	Anybody seen my baby
She was more than beautiful	Anybody (15) her around
Closer to etherial	If I just close my eyes
With a (2) of down to earth flavor	I reach out and touch the prize
Close my eyes	Anybody seen her around
It's three in the afternoon	(Oh yeah, that's a loosener)
Then I, I realize	
That she's (3) (4) for good	Anybody seen my baby
Anybody (5) my baby	Has (16) seen her, (17)
Anybody (6) her around	seen her around
Love has (7) and made me blind	If I (18) just as close my eyes
l've (8) but I just can't find	I will (19) out, reach out and touch the prize
She has gotten (9) in the crowd	Anybody (20) her around
I was flippin' magazines	Anybody seen my baby
In that place on Mercer Street	(Anybody (21) her around) Lost, lost and never
When I (10) I (11) her	found
And getting on a motor bike	I must have, I must have (22) her a
Looking really lady like	(23) times
Didn't she (12) (13) me a wave?	(Oh) (24) I just think
The salty tears	She's just in my imagination
