Your Song (Cover) by Ellie Goulding

l've ever seen And you can tell everybody This is your song	It's a little bit funny
Easily hide I don't have much money But boy if I did I'd buy a big house where We (1) could live So excuse me forgetting But these things I do See I've forgotten if They're green or they're blue Anyway the thing is What I really mean Yours are the (2) eyes I've ever seen And you can tell everybody This is your song	This feeling inside
I don't have much money But boy if I did I'd buy a big house where We (1) could live So excuse me forgetting But these things I do See I've forgotten if They're green or they're blue Anyway the thing is What I really mean Yours are the (2) eyes I've ever seen And you can tell everybody This is your song	I'm not one of those who can
But boy if I did I'd buy a big house where We (1) could live So excuse me forgetting But these things I do See I've forgotten if They're green or they're blue Anyway the thing is What I really mean Yours are the (2) eyes I've ever seen And you can tell everybody This is your song	Easily hide
I'd buy a big house where We (1) could live So excuse me forgetting But these things I do See I've forgotten if They're green or they're blue Anyway the thing is What I really mean Yours are the (2) eyes I've ever seen And you can tell everybody This is your song	I don't have much money
We (1) could live So excuse me forgetting But these things I do See I've forgotten if They're green or they're blue Anyway the thing is What I really mean Yours are the (2) eyes I've ever seen And you can tell everybody This is your song	But boy if I did
So excuse me forgetting But these things I do See I've forgotten if They're green or they're blue Anyway the thing is What I really mean Yours are the (2) eyes I've ever seen And you can tell everybody This is your song	I'd buy a big house where

1, 1, (0)	This is your song
it may be (3) simple but	It may be (3) simple but
Now that it's done	Now that it's done
I hope you don't mind	I hope you don't mind
I hope you don't mind	I hope you don't mind
That I put (4) in words	That I put (4) in words

How wonderful life is	
Now you're in the world	
If I was a sculptor	
But then again no	
Or a (5) who (6)	potions in
A traveling show	
I (7) it's not much but	
It's the best I can do	
My (8) is my song and	
This one's for you	
And you can tell everybody	
This is your song	
It may be quite simple but	
Now that it's done	
I hope you don't mind	
I hope you don't mind	
That I put down in words	
How wonderful life is	
Now you're in the world
