

If I look hard enough into the settin' sun

## Paint It Black (Live) by The Rolling Stones

I see a red (1) and I want it painted black	Before the mornin' comes
No colours anymore, I want them to turn black	I see a red door and I want it painted black
I see the girls walk by	No (7) anymore, I want them to turn black
Dressed in their (2) clothes	I see the girls go by
I have to turn my head	Dressed in their summer clothes
Until my darkness goes	I have to turn my head
I see a line of cars and they're all painted black	Until my (8) goes
With flowers and my love (3) never to come back	
I see people turn their heads	I wanna see your face painted
And quickly look away	Painted black
Like a (4) baby, it just happens every day	Black as night
l look inside myself and see my (5) is black	Black as coal
No colours anymore, I want them to turn black	I (9) see the sun
Maybe then I'll fade away and not have to face the facts	Blotted out from the sky
It's not easy facin' up	I wanna see it painted
When your whole world is black	Painted black, yeah!
No more (6) my green sea go turn a deeper blue	
I could not foresee this thing happening to you
