My love will laugh with me

Paint It Black (Live) by The Rolling Stones

I see a red door and I want it painted black	Before the mornin' comes
No colours anymore, I want them to turn black	I see a red door and I want it painted black
I see the girls walk by	No colours anymore, I want them to (8) black
Dressed in their summer clothes	I see the (9) go by
I have to turn my head	Dressed in their summer clothes
Until my darkness goes	I have to turn my head
I see a line of cars and they're all painted black	Until my darkness goes
With flowers and my love both (1) to come back	
I see people turn (2) heads	I wanna see your face painted
And quickly look away	Painted black
Like a newborn baby, it just happens every day	Black as night
I (3) inside myself and see my heart is black	Black as coal
No colours anymore, I want them to turn black	I wanna see the sun
Maybe then I'll fade away and not (4) to face the	Blotted out from the sky
facts	I wanna see it painted
It's not easy facin' up	Painted black, yeah!
When your whole world is black	
No (5) (6) my green sea go turn a	
deeper blue	
I could not foresee this thing happening to you	
If I (7) hard enough into the settin' sun
