My Life Would Suck Without You by Kelly Clarkson

Guess (1) (2) you're sorry	And nonestry
You're standing at my door	My life (my life) would suck (would suck)
Guess this (3) you take back	Without you
All you said before	Being (13) you
Like how (4) you wanted	Is so disfunctional
Anyone but me	I really shouldn't miss you
Said you'd never come back	But I (14) let you go
But (5) you are again	(Oh yeah)
'Cause we belong (6) now, yeah	'Cause we (15) (16)
Forever united (7) somehow, yeah	now, yeah
You got a piece of me	Forever united here somehow, yeah
And honestly	You got a piece of me
My life (my life) (8) (9) (would suck)	And honestly
Without you	My life (my life) would (17) (would suck)
Maybe I was stupid for telling you goodbye	Without you
Maybe I was wrong for tryin' to pick a fight	'Cause we belong (18) now, yeah
I know that I've got issues	Forever (19) here somehow, yeah
But you're pretty messed up too	You got a piece of me
Either way, I found out I'm (10) without you	And honestly
'Cause we belong (11) now, yeah	My life (my life) (20) suck (would suck)
Forever united (12) somehow, yeah	Without you
You got a piece of me
