

## Fill in the gaps

Clinging to me
Like a last breath you would breathe
You were (1) home to me
I don't (2) this street
Please don't close your eyes
Don't know where to look without them
Outside the cars speed by
I've never (3) them until now
I know you care
I know it is always been there
But there is trouble ahead I can feel it
You were just saving yourself when you hide it
Yeah, I know you care
I see it in the way you stare
As if there was trouble ahead and you knew it
I'll be saving myself from the ruin
And I know you care
I used to run down the stairs
To the door and I thought you were there
To shape to the comfort of us
Two lovers locked out of love
But I know you care

I know it is (4) been there	
But there is (5) ahead I can feel it	
You were (6) saving yourself when you hide it	
Yeah, I know you care	
I see it in the way that you stare	
As if there was (7) ahead and you knew	it
I'll be saving myself (8) the ruin	
I know it wasn't always wrong	
But I've never known a (9) so cold	
No, I don't warm my (10) in your coat	
But I still hope	
'Cause this is how things ought to have been	
And I know the words are there	
Wasn't all that it seemed, why can't I dream	
Why can't I dream	
'Cause I know you care	
And I know you care	
I know you care	
I know you care	
I know it's always been there
