You Make Me Wanna... by Usher

This is what you do, this is what you do	Start a new relationship with you, this is what you do
This is (1) you do, this is what (you do)	I (6) about her and all the things
You make me wanna leave the one I'm with	That come along with you make me (you make me)
Start a new relationship with you, this is what you do	You make me (7) leave the one I'm with
I think about her and all the things	Start a new relationship with you, this is what you do
That come along with you make me (you make me)	I think about her and all the things
You make me wanna leave the one I'm with	That come along with you make me
Start a new relationship with you, this is what you do	You make me
I think about her and all the things	At this point
That come along with you make me (you make me)	The situation's out of control
Before anything began between us	I never meant to hurt her but I
You were like my best friend	Gotta let her go
The one I used to run and talk to	And she may not understand it
When me and my girl was having problems	While all of this is going on
You used to say it'll be OK	I tried, I tried to fight it
Suggest little nice things I should do	But the feeling's just too strong
And when I go home at night and lay my head down	You make me, make me
The last thing I (2) about was you	You make me wanna
And how you make me (3) leave the one I'm	You make me wanna
with	(You make me, make me)
Start a new relationship with you, this is what you do	You make me wanna
I think about her and all the things	You (8) me wanna
That come along with you make me (you make me)	(Go baby, go baby)
You make me wanna leave the one I'm with	You make me wanna
Start a new relationship with you, this is what you do	You (9) me wanna
I think (4) her and all the things	
That came along with you make ma (you make ma)	Come (10) with, you're making me
That come along with you make me (you make me)	Come (10) with, you're making me You make me wanna leave the one I'm with
